## THE PLACE-NAMES OF DURHAM (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The Place-Names of Durham The investigation of the place-names of Durham is made greatly more difficult by the fact that there was no Domesday Survey of the county, and therefore that valuable source of the early forms of A.S. names is not available. Further, as the status of the county was a kind of imperium in imperio - there is a document extant wherein the king of the land begs permission of the bishop of the diocese to raise recruits therein! - and one in which documents were not carefully kept, there is not so full a supply of information from this source as is the case in some other counties. I went through one standard work of several hundreds of A. S. charters and found, I think, only one relating to Durham. The place-names of the county are nearly all of native origin. Of some the secret is hidden with the greatest of undesigned diligence, but in most cases they yield what is required when the principles of the development of the dialect are applied. The Psalmist would find no reason to abate his complaint that the people call the lands after their own names.
