## THE FUTURE NOW: ANTHROPOSOPHY AT THE NEW MILLENNIUM

Temple Lodge Publishing. Paperback. Book Condition: new. BRAND NEW, The Future Now: Anthroposophy at the New Millennium, Sevak Edward Gulbekian, Sevak Edward Gulbekian, The spiritual teacher Rudolf Steiner referred to the period of time encompassing the end of the twentieth century and the beginning of the new millennium as one of great spiritual struggle. Forces of destruction would wage war against forces of good, and the future of culture and civilization would depend on the outcome. In his many statements on the matter, he directed words of warning in particular to members of the Anthroposophical Society and movement. They would be called upon to develop spiritual qualities which would be crucial to the furtherance of human development. This compilation, featuring 18 essays by Temple Lodge authors, is published to coincide with the turn of the millennium. The contributors were asked to offer their thoughts on the question of where the earthly manifestation of Anthroposophy stands at the present time, and to what extent it is fulfilling its tasks. This book contains their answers - a commentary for the challenging times ahead, and a chance to reassess, prepare and be awake. Featuring essays by: Jesaiah Ben-Aharon, Mario Betti, Terry Boardman, Peter Bridgmont, Gilbert Childs, Dor Deverell, Michaela Glockler, Sevak Gulbekian, Brien Masters, Thomas Meyer, Bernard Nesfield-Cookson, Sergei O. Prokofieff, Richard Seddon, Nick Thomas, Peter Tradowsky, Hans-Peter van Manen, Edward Warren and Olive Whicher.
