

## The Productive Body

---

By Didier Deleule, Guyry Franyois, Stephen Shapiro, Philip Barnard

John Hunt Publishing. Paperback. Book Condition: new. BRAND NEW, The Productive Body, Didier Deleule, Guyry Franyois, Stephen Shapiro, Philip Barnard, The Productive Body asks how the human body and its labor have been expropriated and re-engineered through successive stages of capitalism; and how capitalism's transformation of the body is related to the rise of scientific psychology and social science disciplines complicit with modern regimes of control. In Discipline and Punish, Foucault cited Guery and Deleule in order to link Marx's diagnosis of capitalism with his own critique of power/knowledge. The Productive Body brings together Marxism and theories of the body-machine for the goal of political revolution.

### Reviews

*This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

*This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).*
