Lucis Press Ltd. Paperback. Book Condition: new. BRAND NEW, Letters on Occult Meditation (6th Revised edition), Alice A. Bailey, *The books of Alice A. Bailey, written in cooperation with a Tibetan teacher between 1919-1949, constitute a continuation of the Ageless Wisdom--a body of esoteric teaching handed down from ancient times in a form which is always suitable to each period. Intended to precede and condition the coming era, the Alice A. Bailey writings offer an unparalleled spiritual approach to such subjects as the teaching on Shamballa and the Path of spiritual evolution; the spiritual Hierarchy; the new discipleship and training in meditation as a form of service; the teaching on the seven rays and the new psychology of the soul; the teaching on esoteric astrology; and the new world religion, which emphasizes the common thread of truth linking all the major world faiths. *We have a recognised cleavage to be bridged in the world today, usually known as the cleavage between "East and West", but termed more accurately between "Orient and Occident". Behind the differences in culture, tradition, religion, ideology and social customs, however, there is growing interchange of thought and mental understanding. One powerful stimulation to this mental rapport may be in an increasing tendency for the westerner to cultivate the science of meditation long practiced in the East as an essential part of religious and spiritual experience. In this day and age, and as we move on into the mentally oriented age of Aquarius, with increasing numbers of men and women transferring from an emotional to a mental focus, the science of meditation as a mind training technique in concentration and invocation will become increasingly practiced in the West. However, there are deeper and more profound areas of life and consciousness to be penetrated and revealed in meditation....
