Book Description: Between 1830 and 1865, a very radical international women's movement rose and fell in the West; this is the first book to tell its story. Anderson's work will permanently alter how we will see a whole generation of pioneering European and American feminists."--Ellen Carol DuBois, University of California, Los Angeles"Joyous Greetings is joyous news to nineteenth-century women's historians in the U.S. and Europe. Tracing the personal and political connections among a core group of twenty woman's rights advocates from the U.S., England, France, and the German states, many of whom met each other as they travelled or migrated...
