Bernard Madoff is in jail. You might think the Securities Industry is once again safe for investors. You would be wrong. It started with a phone call on Thursday, December 11th, 2008 at 8: 07 P. M. I was totally unprepared for the 14 words which transpired over the next 10 seconds - have you heard the financial news Bernie Madoff was just arrested for securities fraud. These words changed my life forever and began a journey that continues to this day with no end in sight. Many books have been written about Madoff and the largest financial crime in history. Americans have a right to know what really happened. The information I collected is being presented in an adult education class at a local college. That effort led directly to this book with the hope that the message will be received by a much wider audience. If you have a brokerage account, 401k or pension plan that invests money in the U. S. Securities market then this book has a message for you....
