

The Basics of Winning Keno (New edition)

By J.Edward Allen

Cardoza Publishing,U.S. Paperback. Book Condition: new. BRAND NEW, The Basics of Winning Keno (New edition), J.Edward Allen, The ease of playing keno, and the fact that the game can be wagered on at almost any location within the casino itself, even at the dinner table, keeps interest high in this popular casino game. Every casino sports a keno lounge, and there are even lottery's now based on the game of keno. 15 chapters outline step-by-step how to play and win, the house odds, the history of keno, the best playing strategies and even the taxes on keno winnings. Players learn how to make all the bets including straight, split, way, combination, king and special tickets, and how best to use them in a coordinated winning strategy. Many insider tips included as well as strategies to bring the readers profits. Altogether, more than a dozen illustrations and seven charts clearly illustrate the bets, payoffs, and strategies. A full glossary is included.
