Createspace, United States, 2012. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.INTENSELY CONTROVERSIAL! This tough and gritty book is straight from the trenches of the war over the Pentecostal phenomenon of Speaking in Tongues today. Taking no prisoners the author takes on many of the most divisive aspects of the modern Speaking in Tongues phenomenon. No punches are left out and no side on this very controversial subject are safe from this scalding book of insights. The book points out some startling misuses and abuses that need to be considered when determining if Tongues are for Christians today. This book is a must for those who think they have heard it all from all sides on this issue, but feel unsatisfied. In it is presented some unusual thoughts, radical approaches, and new understanding of the topic of Tongues. Though not a Biblical study, this book shares some very unorthodox personal insights to the subject. As coarse as it is towards conventional understandings of Tongues, this book does not condemn the practice, just the presumptions. Pentecostals will be surprised how there actually is more to Tongues than meets the ears. Conservative Christians will be stunned at how frank the discussion is regarding Speaking in Tongues. The overall tone is one of getting one's act together whichever side you land on the issues of Tongues. Such points are made that if you are going to practice Speaking in Tongues, at least know what you are doing, and be aware of how God treats the phenomenon. One thing is for certain. You have never heard many of these thoughts before! Whether you love or hate this book, no doubt you will have some new things to consider regarding Speaking in Tongues...
