An intimate and honest look at our journey as we build our blended family. Unique perspectives from his side and her side! As Christians, we are brought up with the ideal of finding the one person meant for us, and sharing our lives with them. Unfortunately, some marriages are beyond repair. What then? How are single parents, devoted to their faith, to proceed? Lori and Dan Gonzalez share their perspective of bringing together two halves of a family after a divorce from both a man and woman's perspective. As life-long and devout Catholics, they share their experiences not only from a personal side, but from the standpoint of faith as well. Using scripture and using God's will as a guide, the Gonzalezs reveal the trials and tribulations of blending a family, and how love for one another and their children can overcome all obstacles. This item ships from La Vergne, TN. Paperback.
