Brand New Book ***** Print on Demand *****.At times like these, what will it take to get things on the right track. If there were a Zeus, a few well placed lightning bolts might act as a very needed wake up call. don t you think? After receiving an electronic visitation from the twenty second century, quantum scientists from thirteen physics labs around the world engage the C.I.A. and Interpol, starting in Berkeley, California and trek across Europe, China, Russia, and Japan in order to thwart white collar criminals and terrorists trying to disrupt world changing directives from reaching the floor of the United Nations General Assembly in New York. With futuresight at hand, the whirlwind has been stirred. The world s power and money base, even terrorists, are threatened by true hindsight from our future. Think about it. knowledge from the future. WE x is a disruptive, visionary novel that crosses the hard-copy, e-book, and sliver screen genres engaging you in an ominous direction: our changing World Equation. Stephen Hawking asked Yahoo! Answers in June, 2006: How can we sustain the next one hundred...

Reviews

This book is definitely not simple to begin on studying but quite fun to see. I actually have read and that i am sure that i will gonna read through yet again once again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.
