Merely no terms to spell out. We have read through and i also am confident that i will gonna read yet again again in the future. You will not sense monotony at anytime of your own time (that's what catalogs are for about should you question me).

RECOLLECTIONS OF A LITERARY LIFE: OR, BOOKS, PLACES, AND PEOPLE

Cambridge Library Collection, United Kingdom, 2010. Paperback. Book Condition: New. 214 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Better known for her five volume portrait of English rural life, *Our Village*, Mary Russell Mitford (1787-1855) was one of the most prolific female writers of her day. Part critical essay, part autobiography, *Recollections* consists of a series of sketches on and selections from Mitford's favourite authors, stemming from her desire to make others relish a few favourite writers as heartily as I have relished them myself . The collection is arranged according to Mitford's own eclectic system of categorization including fashionable poets , cavalier poets , and poetry that poets love . This third volume includes chapters on Wordsworth, Richardson, Coleridge, Walter Scott, Chaucer, Hawthorne, Milton, and several others. Mitford wears her immense literary skill lightly and *Recollections* is masterfully written, full of lively wit and fascinating biographical detail. Published just three years before Mitford's death, it was based on earlier articles and letters.
