Brilliance Corporation, United States, 2013. CD-Audio. Book Condition: New. abridged edition. 140 x 127 mm. Language: English . Brand New. Katharine Lawrence has no idea what hit her. The attack came out of nowhere. Only hours earlier she had been enjoying a girls-only weekend with an old college friend. Now she finds herself lying bound and gagged on her kitchen floor, staring with terrified eyes at her friend Lisa while two masked gunmen search her house for what? She doesn't know. She knows only that, unless they can escape, whatever it is they are searching for could end up getting both her and Lisa killed. But Katharine's nightmare is just beginning. By turns grateful and unnerved by his presence, and unable to shake a feeling of profound dread, she allows him to spirit her to a secluded safe house. Instead of finding a haven, they stumble into a tangled web of government conspiracy, and Katharine is left confused, frightened, and desperate to uncover the truth. As the pair...
