

Psycho Proctologists and the Flaming Buttholes of Doom (Psycho Proctologists #1)

Filesize: 2.89 MB

Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.

(Prof. Loyce Runolfsson Jr.)

Peckerhead Press, United States, 2013. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Forget Fifty Shades of Gray, this book is fifty shades blacker than your a**hole . . . Michael McLaren is Hollywood s proctologist to the stars. In Tinseltown, there s no shortage of famous people who need things discreetly removed from their sphincters--or who want things shoved up there. Either way, business is good. But when he discovers that demons dwell in the darkest crevices of existence, he s unwittingly initiated into a secret society of demon hunters: The Psycho Proctologists. The world may think they re crazy, but they re all that s standing between you and the Armageddon. Because when flaming buttholes threaten to doom humanity as we know it, who ya gonna call? A butt doctor. ABOUT THE AUTHOR W.W. Pecker is the top-secret pen name of an award-winning author. No, really. It wasn t the Nobel Prize, or even the Pulitzer, but it was an award for writing, dammit. And no, it wasn t his third grade teacher s class prize, either. Geez. Cynical, much? When he s not writing, he can usually be found watching porn on the internet.
