Political Empowerment, Authoritarianism and Calamities in Sudan

By Prof Issam Aw Mohamed

Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: Arabic . Brand New Book ***** Print on Demand *****.Empowerment in democracies is presumed to be for and of the people. Food security, freedom to speak and write, jobs generation, adequate health services, etc. However, under totalitarian regimes it seems to be solely directed towards selective regime s cadres, piling state resources, corruption and heavy handed rule. Sudan has endured long years of austerity and economic crisis, during short democracies and long-termed dictatorships. The discovery of oil in the country was a golden chance that was missed to substantiate social and state cohesion. The current regime has declared the principles of empowerment, but the motto was central to specific echelons. The pristine religious flag was raised, not for an application, but as a totalitarian tool. Constitutional rights, institutional structures and humanitarian basics were ignored. Transparency in resources management and public administration was totally absent. Subsequent institutional interregnum was evident and the result was unprecedented legalized corruption that engulfed the whole state and became the seed of demise. The regime seems to have lost the momentum with the undeclared negative resistance and hidden anger. The Southern region referendum...
