Pillar of Enoch Ministry. Paperback. Book Condition: New. Helena Lehman (illustrator). Paperback. 748 pages. This is the 12th Edition of Book Two in the Language of God Book Series: The Language of God in Humanity - An In Depth Study of the Bible, As Seen in the Rituals, Covenants, Symbols, and People That Serve As Living Parables in Gods Eternal Kingdom, ISBN: 0-9759131-1-5. This fervent look at Judeo-Christianity also deciphers the prophetic elements hidden in the design of biblically inspired religious buildings and objects such as the Desert Tabernacle, the Temple to Yahweh, the Ark of the Covenant, and the Menorah. The Book also explores the spiritual meaning behind the Blood Covenant rituals such as the Marriage Covenant, the Adoption Covenant, Communion, and baptism, and shows how vital and relevant these rituals are to our understanding of God today.
