This collection of six erotic short stories looks behind the closed curtains of suburban middle England, uncovering a red hot world of passion and desire, blowing away forever the myth that middle age and middle income means the end of the female libido. After watching a TV channel dedicated to amateur porn, their visitors convince them that they could do better. Soon it s lights, camera - and action! 2. A Greek Orgy It was the first time he had seen her go topless on the beach, he never imagined it would be like this! 3. Walking in the woods To escape the boredom of a Bank Holiday, they take a walk in the woods. Another couple may have had the same intention, but their walk turns out to be far more far more interesting. 4. A Husbands Tale She didn t know what dogging was, but she does now! 5.
