Reviews

Merely no terms to spell out. We have read through and i also am confident that i will gonna read yet again again in the future. You will not sense monotony at anytime of your own time (that's what catalogs are for about should you question me).

(Pasquale Larkin I)

BARABBAS

Feedaread.com, United Kingdom, 2013. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.There were two men called Barabbas, both of them called Jesus Barabbas. They crucified the wrong one - but what about the one that got away? This book tells you. Jerusalem AD 33 was a city in uproar, the authorities were struggling to keep the peace. An unusually candid view of the infighting that followed the death of Jesus, as seen by a lucky but unrepentant eye witness. An account which might help answer some of the New Testament s more puzzling questions. WHY are the gospel accounts of Jesus trial almost certainly untrue? Why if Mary Magdalen was so central to Jesus life does she abruptly vanish from the story? WHY if Paul was such a misogynist were so many early churches led by women? WHY do the disciples seem to have rejected Jesus nominated successor? One highly unlikely source might just have the most likely answers. In the words of Barabbas the robber - I was there, and I saw, and I remember. A plausible and fascinating suggestion of what might have happened. Why has no one written this story before?.
