## INDIA: A MOSAIC

The New York Review of Books, Inc. Paperback. Book Condition: new. BRAND NEW, India: A Mosaic, Robert B. Silvers, Barbara Epstein, Arundhati Roy, How can we understand India today, fifty years after Independence and only months after its nuclear tests outraged the world? The novelist Arundhati Roy has written, specially for this collection, a fierce denunciation of the Indian nuclear program, which serves as an introduction to nine essays on India, all originally published in The New York Review of Books. In this volume, seven distinguished writers offer penetrating insights into the complexities of the subcontinent. Roderick MacFarquhar reflects on the legacy of Empire and Partition, Ian Buruma considers secularism and Indian democracy, Pankaj Mishra remembers life in Benares, and Christopher de Bellaigue writes on a violent Bombay. But the volatile intersections of history, politics, and culture on which they focus haunt Indian literature too, as shown in essays by Nobel Prize-winner Amartya Sen on Rabindranath Tagore, Hilary Mantel on Rohinton Mistry, and Anita Desai on Indian women's writing. Included is a specially commissioned CD containing a wide range of Indian music.
