

Mythic Monsters: Guardians of Good

By Jason Nelson, Mike Welham

Createspace, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.From Good to GREAT! Good-aligned creatures are vastly outnumbered in roleplaying games, for the obvious reason that most of the time the characters are the heroes of the stories and they are unlikely to fight the powers of good. However, in a mythic world of mythic threats from the forces of darkness, there is a need for a mythic response, and here you will find it: the Guardians of Good! These mighty monsters stand just a little lower than the angels in purity of heart, but are second to none in strength of spirit as unconquerable bastions against evil. Here you will find the mighty metallic dragons, from the young brass to adult copper, giant adult bronze and ancient silver, all the way up to the great wyrm gold dragon. Beyond such winged wonders are the feathered serpents of the jungle, the couatl, along side the shedu, tauric guardians of the deep desert and the lammasu, the winged lions of heaven. Friendly but fierce blink dogs and luck-bearing ceru are also found within, alongside seagoing tritons and the...

Reviews

This book is definitely worth acquiring. I have go through and so i am certain that i will likely to read through again again in the future. Its been printed in an exceptionally basic way in fact it is only after i finished reading this publication in which actually altered me, change the way in my opinion.
