Createspace, United States, 2013. Paperback. Book Condition: New. 258 x 204 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The Exercise for the Serious Strength Builder If you are seeking a way to build your strength and get a large, defined upper back and arms in the process, then look no further. Grant Michaels s chin-up workout book has all of your answers. He understands the importance of the chin-up in any workout routine. If you have been searching for a way to begin resistance training, then this step by step guide is definitely what you want. This one exercise provides proven results for those seeking a perfect physique. The problem is that far too often people will give up on chin-ups because of their difficulty. This book seeks to correct that problem with a basic break down that will help you build up to the ultimate goal and move beyond it. Can This Book Really Get Me to 30 Chin-Ups? Chin-ups are definitely not one of the easier exercises, and if you go into it blind, it can quickly become discouraging. This is what Michaels shows you how to overcome with his book. Instead of demanding 30 chin-ups out of you on the first day, he breaks the process up into three steps. This version of chin-up training will first help to build your arm strength and teach you how to hold your body throughout the exercise. Second, he will start to focus on your endurance so that you can build up to performing 30 chin-ups in one set. These two steps are initially performed separately, but as you progress with each step, you will eventually bring them together for the third step. This will build up your repetitions until you are finally completing 1 set...
